

Appl. No. : 09/218,213  
Filed : December 22, 1998

~~17~~ 50. The system of claim ~~39~~<sup>9</sup> wherein said fluid reservoir is a multi-dose reservoir or a single dose reservoir.

~~18~~ 51. The system of claim ~~39~~<sup>9</sup> wherein said nebulizer is a jet nebulizer, an ultrasonic nebulizer or a single-bolus nebulizer.

### REMARKS

Originally pending claim 1 has been canceled and new claims 2-51, directed to compositions, systems and methods useful for the administration of nebulized bioactive agents have been added. Applicants submit that support for the various independent claims, and claims dependent thereon, may be found throughout the specification as filed. As the instant claims do not result in the addition of any new matter, entry and consideration thereof is respectfully requested.

Applicants believe that all the pending claims are presently in condition for allowance. However, the Examiner is invited to telephone the undersigned attorney at the number below if it is believed that this will expedite prosecution of the present application.

Respectfully submitted,
